

Fellowship application form

Please email all supporting documents as pdf documents for review by the Fellowship Panel. The maximum size for any one file is 2mb.

Send your application and supporting documents to: tim@ioic.org.uk

Contact details	Name;
	Job title:
	Organisation:
	Email address:
	Telephone number:
Referee details	Please provide contact details for two referees as part of your application:
	Referee 1: must be a current IoIC Fellow or senior professional colleague and you must share their name, email address and contact phone number.
	Contact name and details:
	Referee 2: can be a colleague, a former colleague or anyone who can vouch for your professional status.
	Contact name and details:
	(Your chosen referees must know you professionally. Referees will be asked to state which attribute/s they believe you satisfy and how this has been achieved.)
Your CV	Attach a one or two-page CV giving details of the roles and positions that illustrate your suitability for the grade of Fellow. The CV should:
	 indicate your personal responsibility and positions held, together with an idea of the scope of your role
	give an indication of the magnitude and value of your work
	 indicate details of your involvement with the IoIC – positions held, conferences and events attended
	evidence of your commitment to your own professional development
Statement of Attributes	Attach a document (up to 500 words) to present a clear case for why you believe you should be a Fellow – a work example of how have you played a major role in shaping or influencing a specific IC project or outcome? How have you demonstrated IC expertise? What qualities do you have that you believe merit being a Fellow? (You can attach supporting material and links to support this section.)
